

Appendix 1 for Rabøl 2019: Dominance and calibration of magnetic, sunset and stellar compasses in cue conflict experiments with night-migrating passerines. – Dansk Orn. Foren. Tidsskr. 113: 23-35.

Time of test, treatment, number, species, trapping date. Also mentioned is cloud cover and application if applicable of translucent plastic sheet (+ "overcast").

For hver dato er vist tidspunkt for tragt-testet (solnedgang eller nat), fuglens art og antal, samt behandlingsmetode (standard, direkte, kryds og halv-kryds). Desuden skydækket (overskyet eller skyfrit/halvskyet), og evt. dække med uigennemsigtigt plastik (+ "overcast").

2006

17 August: Night, Standard, 16 Pied Flycatchers, trapped 17 August, clear. 20 August: Night, Standard, 16 Pied Flycatchers, trapped 19 August, clear. 21 August: Night, Standard, 16 Pied Flycatchers, most trapped 20 August, the rest 21 August, clear. 24 August: Night, Cross, 17 Pied Flycatchers, 4 Redstarts, 3 Garden Warblers, most trapped 22 August, the rest 23 August, clear. 25 August: Night, Standard, 10 Garden Warblers, 6 Redstarts, trapped 25 August, clear. 28 August: Night, Cross, 24 Garden Warblers, trapped 26 August, clear. 31 August: Night, Standard, 16 Pied Flycatchers, most trapped 30 Aug., the rest 29 August, clear. 6 September: Sunset, Direct, 16 Robins, half trapped 5 September, the rest 6 September, overcast. 7 September: Sunset, Direct, 10 Redstarts, 6 Garden Warblers, half trapped 7 September, the rest 6 September, (overcast). 8 September: Sunset, Direct, 16 Robins, trapped 8 September, clear. 9 September.: Sunset, Direct, 16 Robins, trapped 9 September, clear. 10 September: Sunset, Direct, 16 Robins, trapped 10 September, clear. 12 September: Sunset, Direct, 10 Redstarts, 6 Garden Warblers, most trapped 11 September, the rest 12 September, clear. 13 September: Sunset, Direct, 9 Robins, 4 Garden Warblers, 2 Pied Flycatchers, 1 Blackcap, trapped 13 September (except a single PF 12 September), clear. 16 September: Night, Cross, 12 Redstarts, 8 Garden Warblers, 4 Blackcaps, half trapped 14 September, the rest 15 Sep., clear. 17 Sep.: Night, Standard, 6 Redstarts, 6 Blackcaps, 4 Garden Warblers, most trapped 17 September, the rest 16 September, clear. 21 September: Night, Cross, 16 Blackcaps, 8 Garden Warblers, half trapped 18 September, the rest 19 September, clear. 22 September: Night, Standard, 16 Robins, trapped 22 September, clear. 24 September: Night, Cross, 18 Robins, 6 Blackcaps, trapped 23 September, clear. 25 September: Night, Standard, 16 Robins, trapped 25 September, clear. 26 September: Night, Cross, 24 Robins, trapped 26 September, clear. 28 September: Sunset, Direct, 16 Robins, trapped 27 September, overcast.

2007

9 September: Night, Standard, 16 Robins, trapped 8 September, clear. 11 September: Night, Standard, 16 Robins, trapped 10 September, sunset (clear), night overcast. 12 September: Night, Standard, 14 Robins + 2 Blackcaps, trapped 12 September, clear. 13 September: Night, Cross, 16 Robins, trapped 13 September, clear. 16 September: Night, Standard, 16 Robins, trapped 14 September (14) and 16 September (2), clear. 17 September: Night, Standard, 16 Robins, trapped 16 September, overcast. 18 September: Night, Standard, 16 Robins, trapped 18 September, clear. 20 September: Sunset, Direct, 16 Robins, trapped 19 September, overcast. 21 September: Sunset, Direct, 16 Robins, trapped 21 September (11) and 20 September (5), clear. 22 September: Sunset, Direct, 16 Robins, trapped 22 September, clear.

2008

24 Aug.: Sunset, Direct, 12 Pied Flycatchers + 4 Redstarts, trapped 23 August, clear. 25 August: Sunset, Direct, 16 Garden Warblers, trapped 25 August, clear. 28 August: Sunset, Direct, 14 Pied Flycatchers + 2 Redstarts, 12 trapped 25 August and 4 26 August, overcast. 29 August: Night,

Standard, 16 Garden Warblers, 10 trapped 27 August and 6 28 August Clear, + "overcast". 30 August: Sunset, Direct, 8 Pied Flycatchers + 8 Redstarts, trapped 30 August, clear. 31 August: Sunset, Direct, 9 Redstarts + 5 Garden Warblers + 2 Pied Flycatchers, 3 trapped 30 August and 13 31 August, clear. 1 September: Sunset, Standard, 16 Pied Flycatchers, trapped 1 September, overcast, + "overcast". 2 September: Sunset, Standard, 16 Pied Flycatchers, trapped 1 September, overcast, + "overcast". 4 September: Sunset, Standard, 9 Pied Flycatchers + 5 Garden Warblers + 2 Redstarts, 14 trapped 4 September and 2 3 September, overcast, + "overcast". 6 September: Sunset, Standard, 10 Pied Flycatchers + 6 Redstarts, trapped 6 September, overcast, + "overcast". 7 September: Sunset, Cross, 24 Pied Flycatchers, 8 trapped 7 September and 16 6 September, clear, all controls and half experimentals in + "overcast". 8 September: Night, Direct, 13 Pied Flycatchers + 2 Redstarts, 3 trapped 7 September and 12 8 September, clear. 9 September: Night, Direct, 8 Pied Flycatchers + 4 Redstarts + 4 Garden Warblers, 6 trapped 8 September and 10 9 September, clear. 11 September: Sunset, Direct, 16 Robins, trapped 11 September, (overcast). 12 September: Sunset, Direct, 16 Robins, trapped 12 September, (overcast). 14 September: Sunset, Direct, 8 Garden Warblers + 6 Redstarts + 3 Pied Flycatchers, trapped 14 September, clear, half in + "overcast". 15 September: Sunset, Direct, 20 Robins, trapped 15 September, overcast, half in + "overcast". 16 September: Sunset, Direct, 20 Robins, trapped 16 September, clear, half in + "overcast". 17 September: Sunset, Direct, 11 Gardens Warblers + 6 Redstarts, most trapped 16 September, clear, half in + "overcast". 18 September: Sunset, Direct, 20 Robins, trapped 18 September, clear, half in + "overcast". 19 September: Sunset, Direct, 20 Robins, trapped 19 September, overcast, half in + "overcast". 20 September: Sunset, Direct, 20 Robins, trapped 20 September, overcast, + "overcast". 23 September: Sunset, Direct, 16 Robins, trapped 21 September, (overcast), + "overcast". 24 September: Night, Cross, 16 Robins, trapped 24 September, clear, + "overcast". 27 September: Sunset, Cross, 14 Robins, 7 trapped 25 September and 8 26 September, clear, half experimentals in cans, + "overcast" 28 September: Sunset, Direct, 16 Robins, trapped 28 September, clear, experimentals + "overcast".
